

# UMER MURTAZA KHAWER

Game Developer | Cinematics | Real Time VFX | Motion Graphics

+92-346-2690496 • umerkhawer786@gmail.com • www.umer.studio • Pakistan

## Summary

Game Developer with 4+ years of hands-on experience in real-time game development, VFX, and AI behavior systems, combined with over a decade of expertise in motion graphics and animation. Adept at building immersive gameplay mechanics, developing intelligent NPC behaviors using Behavior Trees, and crafting cinematic cutscenes that elevate storytelling. Proven ability to bridge technical and creative domains within fast-paced game studio environments. Passionate about pushing the boundaries of real-time visuals and interactive experiences. Actively seeking roles as a Game Developer, Animator, or Motion Graphics Artist to contribute to high-impact, visually compelling projects.

## Skills
